Project 2

MAMMOTH
AGREEMENT FOR LIGHTING SERVICE AT JUNCTIONS
 77
 STATE ROUTE) MAMMOTH, ARIZONA

Between

THE ARIZONA STATE HIGHWAY COMMISSION,

TOWN OF MAMMOTH, ARIZONA

And

U.S. DEPT. OF INTERIOR, BUREAU OF INDIAN AFFAIRS, SAN CARLOS IRRIGATION PROJECT

THIS AGREEMENT, made and entered into this 13th day of November, 1961, by and between the State of Arizona, Acting by and through the State Highway Commission, through its State Highway Engineer, hereinafter called STATE, the Town of Mammoth, a municipal corporation in the County of Pinal, hereinafter called TOWN, and the U.S. Dept. of the Interior, Bureau of Indian Affairs, San Carlos Irrigation Project, hereinafter called PROJECT.

RECITALS:

For the safety and protection of the traveling public, it is necessary and desirable that three highway lighting units be installed at each junction where new alignment of State Route 77 bypasses the Town of Mammoth, Arizona, and

WHEREAS, the parties hereto desire to cooperate in the installation and maintenance of said lighting system, each in the manner as hereinafter stated, and

WHEREAS, ample funds have been provided and set aside by the STATE in AFE 8437 to defray the STATE'S share of the cost of the work, and

WHEREAS, it is the desire of the parties hereto to proceed with the work and set out in writing their understandings and agreements pursuant to which the said work shall be performed, paid for and subsequently maintained.

ARTICLE I

IN CONSIDERATION of the covenants of the STATE and the TOWN herein contained and the faithful performance thereof, the PROJECT agrees:

(1) To furnish all materials, equipment, tools and labor necessary to install in a good and workmanlike manner, six 20,000 lumen Mercury Vapor Luminaires on wood poles, at the locations herebefore mentioned.

(2) To furnish to the STATE an as built drawing and list of materials used.

ARTICLE II

IN CONSIDERATION of the covenants of the PROJECT and the STATE herein contained and the faithful performance thereof, the TOWN agrees:

(1) To provide and set aside each year sufficient funds for the operation and maintenance of the lighting system, including the payment of the power bill.

ARTICLE III

IN CONSIDERATION of the covenants of the TOWN and the PROJECT herein contained and the faithful performance thereof, the STATE agrees:

(1) To pay to the PROJECT, upon completion of the work, and upon receipt of proper claim, out of funds provided for in AFE 8437, the sum of \$2,775.00.

ARTICLE IV

IN CONSIDERATION of the premises, it is mutually agreed:

That the STATE is bound by this agreement to pay for the installation of the highway lighting system, as hereinbefore stated, and that the PROJECT, in the installation of the lighting system and the work incidental thereto, shall save harmless the STATE and TOWN from all suits, actions, or claims of any character brought on account of any injury or damage sustained in consequence of any neglect in safeguarding the work.

It is further understood and agreed that operation and maintenance of the lighting system shall be as agreed upon by TOWN and PROJECT; maintenance to continue until such time as, by mutual agreement between the parties hereto, it is no longer necessary or desirable.

IN WITNESS WHEREOF, the parties hereto have executed this agreement by day and year first written above.
